

Natural Gas Society  
invites  
applications for the position of  
**Executive Director**

A Registered Society formed to promote, facilitate, foster and coordinate the mapping, forecasting, study & research involving economic, statistical and social domains for the development of Natural Gas Industry in the country is looking for an eminent and dynamic person for engagement as **Executive Director** of the Society.

The profile will include regular interaction with the industry, identifying common issues, generating consensus; facilitating and coordinating the exchange of relevant information in the industry and at National and International level towards providing inputs on matters pertaining to the Natural Gas Industry. The candidate will have relevant exposure to all aspects of the Natural Gas Industry.

Interested persons (superannuated/superannuating) at the level of/equivalent to an Executive Director of an Oil & Gas CPSE, with not less than 25 years of experience with age not more than 62 years (as on date of this advertisement), may apply within the timeline indicated below, with (a) a complete bio-data (containing relevant personal details, professional accomplishments, National/International level representations made, any other relevant information and a passport size photo) and (b) an one page write up having a one year roadmap with deliverables to make the Society a vibrant and financially sustainable one.

Monthly retainership fee commensurate to the qualifications, experience and last position held will be paid for this position.

The hardcopy application may be sent to Administration Incharge, **Natural Gas Society, 129 PARC Building, GTI, Plot No. 24, Sector 16, NOIDA, UP. 201301**, also emailing a copy to **naturalgasindia.ngs@gmail.com** within the timelines mentioned above. Only the applications against which email entries are received upto 4th May 2021 will be considered by the Society.
